A close-up photograph of a woman's face. She has her eyes closed and is wearing a thick, vibrant green face paint. A hand is using a brush to apply more paint to her cheek. To the right, a small white jar filled with the same green paint is visible. The background is dark and out of focus.

OLIVE TREE PEOPLE

Our Mission:

TO HEAL THE WORLD WITH THE POWER OF THE OLIVE TREE

THE WATER, THAT WE DO NOT USE IN OUR PRODUCTS WE BRING TO THE PEOPLE IN AFRICA BY BUILDING WATER WELLS SINCE 2013. LAST BY THE MASSAI 2021 IN TANSANIA.

Unique worldwide: We at OLIVEDA protect overgrown mountain olive trees by buying large estates, cultivating the trees and eco-certifying them. These wild mountain olive trees then deliver the globally unique holistic Beauty Molecule and Elixir Hydroxytyrosol that perfectly protects our cells from the inside out and from the outside in (studies by ESFA) and the cells from the trees making them live up to 4,000 years old. This globally unique holistic Beauty Molecule and Elixir, which is found exclusively in our mountain olive trees, replaces the 70% water phase that is otherwise common in skin care products with 100%.

Waterless Beauty

Unique worldwide all OLIVEDA products consist of up to 95% more effectiveness, since OLIVEDA revolutionized the emulsions that skin care products are composed of. In OLIVEDA products bio active ingredients like hydroxytyrosol and arbequina oil replace the 95% fillers content (distilled water and refined oils), which is normally used in skin care products, to 100%. 95% different composition of OLIVEDA skincare allows absorption of active ingredients way faster than conventional skincare^[1,2]

The Water,

that we do not use in our products we bring to the people in Africa by building water wells since 2013. Last by the Maasai 2021 in Tanzania.

Thomas with Olais, the tribal elder of the Maasai, Tanzania 2021

Meanwhile, about 15,000 inhabitants in different villages are supplied with water by the OLIVEDA wells. For OLIVE TREE PEOPLE these projects are not development aid - they are real partnerships at eye level.
